

### A LETTER FROM THE SUPERINTENDENT

### Dear Vicksburg Community Schools Families,

It is with great pleasure and enthusiasm that I welcome back all of our teachers, students, staff and families, as we embark on another school year.

To our students, I encourage you to approach this school year with curiosity, enthusiasm, and a growth mindset. Each day presents an opportunity to expand your knowledge and build lasting friendships here at VCS.

Parents and guardians, your partnership with us is invaluable.

Your involvement and support make a difference in your child's education. Together, we can create an environment where students thrive academically, socially, and emotionally.

To our amazing teachers and staff, I thank you for all you invest in our students each and every year. I am proud of what you help our students achieve.

Here at VCS, we are dedicated to providing a world-class education that equips our students with the skills, knowledge, and character necessary to succeed in an ever-changing world. I am excited to be kicking off the new school year with a 5-year strategic plan to make sure all of our students reach their full potential.

Welcome back to school! Here's to another year of being #BulldogsUnited as we build a bright future for our students.

### Regards,

### Keevin O'Neill, SUPERINTENDENT

### **Unsung Hero Award Winner**

Each year at our kick-off event for teachers and staff, VCS honors one person or group that went above and beyond during the previous school year.

We are very proud to announce that the 2022-2023 Vicksburg Community Schools Unsung Hero Award Winner is Courtney Hammond Simcox!

Courtney has been with VCS as part of the Kids Klub program since 2001. During this time, she has worn many hats. Currently, she is our Indian Lake Kids Klub Coordinator during the school year and our whole program coordinator (all 3 elementary schools) during the summers.

Thank you, Courtney, for your hard work, dedication, and the pride you take in your job.

Courtney Hammond Simcox, Unsung Hero Award winner for the 2022-2023 school year.

### **Ticketing Info for Vicksburg Athletics**

New for the 2023-2024 school year: Wolverine Conference ticket passes!

Visit the Wolverine Conference Box Office site to purchase ticket passes good for ALL Vicksburg Middle and High School regular season home games PLUS all away games at any Wolverine Conference school. Passes are \$50 plus fees.

These passes are only for students. Students need their school ID number to purchase. Click on the Vicksburg section and "Get Passes."

Schools included in the Wolverine Conference passes are: Edwardsburg, Niles, Otsego, Paw Paw, Plainwell, Sturgis, and Three Rivers.

Students also have the option to buy a HOME game ONLY pass for \$25 plus fees.

Those can be purchased from the Vicksburg Schools Hometown Ticket Box Office site. These passes only apply to regular season home games at VMS and VHS.

To purchase a student pass: Click 'Get Passes' on the Season Passes section. Click 'Have a passcode?' at the very bottom left hand corner of the page and input your child's school ID number. Enter Quantity of 1 under the Student Pass Type. Click 'Check out' to make your purchase. For all other tickets, VCS uses the same Hometown Ticketing Site for digital tickets. Credit cards will also be accepted at the gate at athletic events. NO cash will be accepted at the ticket gate for any athletic events.

Going forward, tickets purchased via credit card at the gate will be \$9. If you purchase individual game tickets via our Hometown Ticketing site, they are \$7 per game, plus processing fees.

These ticketing procedures apply to Vicksburg home games only. Away games and any MHSAA playoff games require a different ticketing system.

#### **Free Senior Passes:**

We also want to encourage our senior citizens to take advantage of our free passes. Those 65 and up get into all VCS sporting events for free. Senior passes rollover every year so if you have one from last season it is still valid. Senior Citizens need to have an email address and phone number as well as driver's license to create a pass. Passes can be created at the High School, Middle School, and Community Education office at the VAB.

### For Adults and Other Non-VCS Students:

On the Hometown ticketing site, adults are also able to purchase season passes. The passes come in different packages, including a 5 Game Pass, 10 Game Pass and 20 Game Pass for \$30, \$50, and \$85 plus processing fees.

This is the best value option for VCS sporting events. These passes can be shared between family members to make it easy to get the whole family into games at a discounted price.

### Having a Great Time at the Bus Safety Carnival

The third annual Bus Safety Carnival was another huge success!

Students and families learned important bus safety lessons while having a great time riding our school buses and interacting with the drivers.

Thank you to our transportation department and dedicated bus drivers, our community partners, school PTOs and local vendors who made the event fun and informational for our families.

What a great way to get ready for the new school year!

### Family Educational Rights and Privacy Act (FERPA) Policy 8330

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools must honor your request to review your child's education records within 45 days of receiving the request. Parents or eligible students should submit to the School principal a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible students of the time and place where the records may be inspected.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. They should write the School principal, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the

School will notify the parent or eligible student of the decision and advise them of their right to a formal hearing regarding the request for amendment. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

#### **Disclosure of Information**

The Family Educational Rights and Privacy Act (FERPA) requires that the Vicksburg Community Schools (VCS), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, **VCS** may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. **Directory** information includes student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized school activities and sports, weight

and height of athletic team members, dates of attendance and previous school(s) attended. It is information that is generally not considered harmful or an invasion of privacy if released. The primary purpose of disclosing directory information is to allow VCS to include this type of information from your child's education records in certain school publications. Examples include a playbill, showing your student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information can also be disclosed to organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

In addition, two federal laws require us to provide military recruiters, upon request, with directory information in three categories – names, addresses and telephone listings – unless parents have advised VCS that they do not want their student's information disclosed without their prior written consent.

If you do not want VCS to disclose information from your child's education records without your prior written consent, you must notify the district before the second week of the school year by writing to:

Vicksburg Community Schools 301 S. Kalamazoo St. Vicksburg, MI 49097 ATTN: Superintendent's Office

#### Weapons-Free School Zone

State law establishes a "Weapon-Free School Zone" that extends 1,000 feet from the boundary of any school property. The term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms, guns of any type, including air, gas-powered, and spring guns (whether loaded or unloaded) that will expel a BB, pellet, or paint balls, knives, razors, clubs, electric weapons, metallic knuckles, martial arts

weapons, ammunition, and explosives or any other weapon described in 18. U.S.C. 921.

#### **Drug-Free School Zone**

In accordance with Federal and State law, the Board hereby establishes a "Drug-Free School Zone" that extends 1000 feet from the boundary of any school property. The Board prohibits the use, possession, concealment, delivery, or distribution of any drug or any drug-related paraphernalia at any time on District property, within the Drug-Free School Zone, or at any District-related event. Furthermore, the Superintendent shall take the necessary steps to ensure that an individual eighteen (18) years of age or older who knowingly delivers or distributes controlled substances so designated and prohibited by Michigan statute within the Drug-Free School Zone to another person is prosecuted to the fullest extent of the law.

### Freedom of Information Act (FOIA)

By law, citizens are allowed to request documents or records from the school district. The information must already exist in document form. FOIA does not cover the creation of information or summaries. Submit request in writing to:

#### Asbestos Hazard Emergency Response Act (AHERA) Notification

The Environmental Protection Agency (EPA) requires that each year, district worker and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Vicksburg Community Schools this past year.

#### **Management Plans**

In 2010 Vicksburg Schools contracted Nova Environmental to conduct inspections for asbestos containing material (AM) with all district owned buildings. This information was then compiled into Asbestos Management Plans. A copy of each building management plain is also located in the Administration Building.

#### **Surveillance Activities**

The AHERA regulation requires surveillance of the condition of ACM every six months and reinspections every three years. The three-year re-inspection was conducted in September of 2022. Both of these surveillance activities will be included as part of the building's Management Plans.

#### **Asbestos Abatement**

It is anticipated that Vicksburg Community Schools will need to conduct only minor amounts of asbestos abatement within its facilities over the next year. And will continue to maintain all ACM under the Operations & Maintenance Program.

Any removal projects will be performed by a Michigan Licensed Asbestos Abatement Contractors and managed by Nova Environmental, Inc. the districts environmental consulting firm.

All asbestos documentation is available for your review in each building file and at the Administration Building.
