We also hope to organize a tour of **The Mill at Vicksburg** and learn about its future!

The Mill at Vicksburg is being restored and repurposed, relaunching every inch of its 416,000 square-foot building and 120-acre campus to its former glory. Imagine events, breweries and distilleries, museums, outdoor spaces and live music occupying lively spaces filled with local visitors and tourists from all over the region.

Please let us know if you are interested in joining us for a Tour of the Mill.

Thank you. Larry and Karen
