G. School Closing.

Whenever any or all students are notified that a school facility must be temporarily closed that day and/or subsequent days, due to inclement weather or other causes beyond the control of the Board, the following shall apply:

1. Twelve Month Personnel: All VESPA employees working twelve (12) months shall report for work at their regular starting time and location, unless otherwise notified to report to a different location.
2. Bus Drivers and Food Service Personnel: When schools are closed and the day(s) will not be rescheduled, bus drivers and food service personnel may report for work not later than 8:00 a.m. at either of their regular work location or pre-notified location and/or wherever subsequently assigned, only when work is available. Employees in these classifications may utilize available personal business days. Those who do not work or choose to not use personal business leave will not be paid.
3. Administrative Assistants Working Less Than Twelve Months: When schools are closed and the day(s) will not be rescheduled, administrative assistants working less than 12 months shall report for work at their regular reporting time and location, unless otherwise notified to report to a different location. Administrative Assistants may choose to use comp time or available personal business leave in lieu of working, with administrative pre-approval. Such approval will be granted at the sole discretion of the administration.
4. Custodians: When schools are closed, second and third shift custodians may choose to work their shifts during daytime hours, arriving to work at their earliest convenience, with administrative pre-approval. Custodians may choose to use comp time or available personal

business leave in lieu of working, with administrative pre-approval. Such approval will be granted at the sole discretion of the administration.

5. Rescheduled Days for Personnel Working Less Than Twelve Months: In the event school is closed and the day(s) will be rescheduled, VESPA employees working less than 12 months shall not report for work, unless otherwise informed by the Administration.

If the Association disagrees with the assigned terms and conditions of employment, it shall notify the Board in writing within ten (10) working days after receipt of such written notice of its desire to meet with the Assistant Superintendent regarding the assigned terms and conditions. If a mutually satisfactory solution is not reached within thirty (30) calendar days after serving such notice on the Board, the matter of the rate of pay therefore may be referred to the Grievance Procedure, starting at Article Eleven, Section C (2) thereof and processed accordingly, provided the grievance is filed within ten (10) calendar days after the expiration of the thirty (30) calendar day period referred to above. Failure of the Association to notify the Board in writing, within the ten (10) working days period or, having served notice, failure to timely file a grievance thereon shall constitute acceptance by the Association of the rate of pay assigned.

Article Six (6) – Vacancies, Transfers and Promotions

A. Posting.

When a new position is created or the employer deems it necessary to fill a bargaining unit vacancy, a notice of said vacancy shall be posted on the employee bulletin boards in each building. The employer shall notify the Association President in writing of all vacancies. The posting will also be placed on the District's website and emailed to all VESPA members. The notice shall remain posted for seven (7) work days.

B. Bidding.

Any employee in the bargaining unit may bid for a vacancy by notifying the Assistant Superintendent in writing within the posting period. A proxy bid may be submitted by the Association President for any employee during his approved absence upon the absent employee's request. Employees may submit any material and rationale the employee believes will be of benefit to the employer in making its decision.

C. Selection.

1. Transfers and promotions within the bargaining unit shall be on the basis of classification seniority, and the posted requirements for ability, qualifications, and evaluations. If an applicant does not meet all four of the above criteria, he/she will not be awarded the position. If the position is not awarded within the classification, then the most senior bargaining unit employee, who has the required ability, qualifications and evaluations shall be given preference.
2. If there are no employees who bid for an open position, or if among those who bid, there are none who have the required qualifications, the employer shall be entitled to hire a new employee. However, if such a position is not filled within the next thirty (30) calendar days following the expiration of the posting, and if it is still necessary to fill such a job, it shall be reposted as provided for in this Article.
3. Ability and Required Qualifications.
 - a. Where used in this Agreement, the word "ability" shall be interpreted to mean that the employee has the pre-developed skills, knowledge and work habits to satisfactorily fulfill the job requirements immediately upon being assigned to the job.
 - b. Where used in this Agreement, the words "required qualifications" shall be interpreted to mean that the employee has demonstrated that he has the background, work experience, work habits, knowledge and physical ability which would enable him to readily learn to satisfactorily perform the job requirements of the job under consideration.
 - c. To be considered for a promotion, the employee's evaluations must be satisfactory.
4. Assignments which become vacant after March 1, and are to be filled at that time, may be filled on a temporary basis until the end of the school year at the sole discretion of the employer. At the end of the school year, the position shall be posted in accordance herewith, if said position is still to be filled.

D. Trial Period.

The successful applicant shall be granted a trial period on the job of up to forty-five (45) actual working days, while school is in session, to demonstrate that he/she possesses the clear ability to satisfactorily perform the job. If the employee fails to perform satisfactorily in the new position any time during the trial period or provides written notice to the employer of a desire to return to his/her former position, he/she shall be returned to his/her former position or rate of pay without loss of seniority. It is further understood that a domino effect may occur should an employee return to his/her former position, of which all others shall, in turn, return to their former positions.

E. Bidding Limitations.

When an employee requests a transfer and the request is granted, he/she may not request another transfer for one (1) year from the time he/she starts the new assignment. Exceptions to this rule may be made by the Board.

1. If a full-time employee has not shown a pattern of changing jobs within the classification and has worked in that present position for at least six months, he/she may be allowed to bid on a full-time position and request a transfer if they meet the then present ability to satisfactorily perform the required work without training.

2. If a VESPA employee has bid and is working a part-time position, and a new position opens for either more hours or full-time, he/she will be allowed to bid the new position if they meet the then present ability to satisfactorily perform the required work without training.

F. Involuntary Assignments.

Involuntary assignments shall be avoided whenever reasonably possible and made only for good reason.

G. Temporary Transfers.

The District shall have the right to transfer the least senior employees, who in its judgment can be spared from their job and who can satisfactorily perform the job of other employees who are absent from work due to illness, accident, vacations or leaves of absence for the period of such absence. The District shall also have the right to temporarily transfer employees, irrespective of their seniority status, to fill temporary jobs or temporary vacancies or take care of unusual conditions or situations which may arise for a period not to exceed forty-five (45) consecutive regularly scheduled working days.

H. Compensation During Transfer.

An employee temporarily transferred or involuntarily assigned for the convenience of the employer shall receive the rate for the position to which he is transferred after working five (5) consecutive days, retroactive to the state of the transfer/assignment, provided, however, that no employee's compensation shall be reduced through such transfer. Consecutive working days shall be considered interrupted upon the return of the absent employee for one (1) working day.

1. No maintenance employees shall be required to service as substitute bus drivers. However, maintenance employees who choose to become certified and qualified as bus drivers and maintain their bus driver certification and qualification for the duration of their employment as maintenance employees may elect to serve as substitute bus drivers. Employees exempted from this provision, at the time the Agreement takes effect, shall continue to be exempted during the life of this Agreement. Article 9, Sections K and P shall be applicable for meeting this requirement.
2. The District agrees that it will only utilize Maintenance/Mechanic employees as substitute drivers as a last resort. Utilization shall be by employee choice only. In recognition of safety concerns, every effort will be made to use Maintenance employees in this capacity as infrequently as possible.

Article Seven (7) – Seniority

A. Seniority Defined.

1. District seniority shall be defined as the employee's length of continuous service with the District beginning with the employee's first day of work following the most recent date of hire as a full-time or regular part-time employee. Employees who are on authorized leaves, vacations and holidays shall accumulate seniority during such periods. It shall be the employee's responsibility to keep the Board notified as to his/her current mailing address. A recalled employee shall be given at least ten (10) working days from mailing of said notice to report for work. The Board may fill the position on a temporary basis until the recalled employee has reported to work, providing the employee reports within said ten (10) day period. Employees recalled to

All the benefits as provided in this Agreement will continue to the extent of the unused sick leave.

Providing sick leave is available, the following is an example of how the calculation is made to continue said VESPA employee's pay:

Example: Compensation Benefit

Employee's Regular Net Pay After Taxes	= \$500.00
Workers' Compensation Payment	= <u>\$400.00</u>
Net After Tax Portion Paid by School	= \$100.00

To Use Sick Leave: \$500 (bi-weekly) – 80 hours = \$6.25/hour
